WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

The statement must enumerate the steps taken to ensure timely payment of the maintenance fee, the date and the manner in which the patentee became aware of the expiration of the patent, and the steps taken to file the petition promptly.

9. PETITIONER(S) REQUESTS THAT THE DELAYED PAYMENT OF THE MAINTENANCE FEE BE ACCEPTED AND THE PATENT REINSTATED.

STATEMENT

(In the space below, please provide the showing of unavoidable delay recited in paragraph 8 above.)

On February 6, 2007 the assignee (Optime Therapeutics) filed for bankruptcy in the United States Bankruptcy Court, Northern District of California (BK case # 07-10129) see attached. All assets were frozen by the court and were not under my control or accessible by me. I filed a motion in the Bankruptcy court to enable me to have the court imposed stay lifted so that I could maintain the patents. (see attached Motion for Relief From Stay filed February 27, 2009.) The Motion was heard on March 26, 2009 (see attached) and an Order was signed on March 31, 2009 (see attached) Only then was I able to get access to the files and attend to the patents. I received a notice of the patent expiration in April 2009. I paid the maintenance fees in May 2009, but the patents were not reinstated because I didn't include the surcharge. I am now sending in the surcharge.

MOTION FOR RELIEF FROM STAY
DECLARATION OF WILLIAM HERIOT;
POINTS AND AUTHORITIES

Date: March 12, 2009

Time: 9:00 a.m.

Place: 99 South E St.
Santa Rosa, CA

15 TO: HONORABLE ALAN JAROSLOVSKY, UNITED STATES BANKRUPTCY JUDGE:
16 William Heriot, secured creditor herein, by and through counsel,
17 hereby moves the above entitled Court for an Order for Relief from
18 Stay to complete a Sheriff Sale on certain intellectual property
19 subject to pre-petition levy and execution.

20 The Motion is made on the grounds that the Debtor does not have
21 any equity in the property (patent applications) and that such
22 property is at risk due to procedural requirements of the U.S. Patent
23 Office. Despite an Adequate Protection Order, Debtor has failed to
24 maintain the patent applications and same are in danger of being lost
25 based upon procedural requirements.

26 Said Motion is based hereon, the appended Declaration of William
27 Heriot, and the appended Points and Authorities.

5 DAVID N. CHANDLER,

6 DECLARATION OF WILLIAM HERIOT

7 I, William Heriot, declare and say:

8 1. That if called as a witness, I am competent to testify to
9 the within matters from my own knowledge.

10 2. That I am a creditor of the Debtor herein and have
11 perfected an execution lien pursuant to California Code of Civil
12 Procedure Section 697.710 in certain intellectual property rights of
13 the Debtor, i.e., patent applications.

14 3. In order to maintain the applications active, the
15 applications must be extended prior to expiration dates. The
16 applications have different expiration dates, but each must be acted
17 upon by the applicant prior to such dates or they will lapse.

18 4. Extension of the patent applications requires certain legal
19 work by a qualified patent attorney to insure that they do not lapse.

20 5. The patent applications may have some value. The value has
21 been overstated by the Debtor in the Schedules on file with the
22 Court. In order for the applications to retain any value, they must
23 be timely prosecuted.

24 6. Debtor stipulated to an Adequate Protection Order whereby
25 Debtor was required to maintain the Applications active and to
26 provide periodic reports to confirm same. Debtor has failed to
27 comply with the Order and the Trustee has not complied. It appears
28 from the documentation available to me that the Applications are in

1 jeopardy of being rejected based upon failure to prosecute them.

2 7. Absent extension of the patent applications, the security
3 interest in the applications is not adequately protected.

4 Executed under penalty of perjury this 25th day of February, 2009
5 at Santa Rosa, California.

6 /s/ William Heriot
7 William Heriot

9 POINTS AND AUTHORITIES

10 1. On request of a party in interest, and after notice and
11 hearing, the Court shall grant relief if the Debtor does not have any
12 equity in such property or such property is not necessary for
13 effective reorganization. 11 U.S.C. Section 362(d).

14 2. The Court may condition the stay upon adequate protection
15 for cause. 11 U.S.C. Section 362(d)(1).

16 3. The Court may provide adequate protection by ordering other
17 relief which will result in the realization of the indubitable
18 equivalent of the moving party's interest in the property. 11 U.S.C.
19 Section 361(3). Such protection may be afforded by requiring cash
20 payments. Section 361(1).

21 4. The obvious decline in the value of the intellectual
22 property resulting from the failure of the Debtor and the Trustee to
23 prosecute the application extensions renders the property valueless.
24 If the property is to retain any value, the applications must be
25 timely prosecuted.

26 5. The process requires investment of skilled legal services
27 which must be incurred and paid for by the estate to preserve the
28 asset base and to provide a basis for reorganization.
